The design submission, Tracking Number 2025-05289, Web Portal Number 2025-S4302, originally received on August 13, 2025 was surveyed and accepted for registration as follows:

CRN : 0B07292.2 **Accepted on:** September 11, 2025
Reg Type: RENEWAL **Expiry Date:** September 09, 2035
Document No. Scope of Registration: 22659s-1 R0 Rev 0
Fitting type: B16.5 FLANGES

Design registered in the name of : MUNISH FORGE PRIVATE LTD

Description	MAWP	Design Temperature
See Scope of Registration		

The registration is conditional on your compliance with the following notes:

- It is our understanding that all drawings referenced in the Scope of Registration document are Rev. 00.

As indicated on AB-41 Statutory Declaration or AB-351 Declaration of Conformity form and submitted documentation, the code of construction is B16.5.

- It is our understanding that the fitting(s), included as the scope of this submission, that is(are) subject to the Safety Codes Act shall comply with the requirements of the indicated Standard or Code of Construction on the AB-41 Statutory Declaration or AB-351 Declaration of Conformity as supported by the attached data which identifies the dimensions, materials of construction, press./temp. ratings and the basis for such ratings, and the identification marking of the fittings.
- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration or AB-351 Declaration of Conformity form.
- This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency, and maintains a valid Certification of Authorization Permit if required by the jurisdiction where manufacturing takes place, until that date.
- Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

If you have any questions don't hesitate to contact me by phone at (587) 686-9387 or fax (780) 437-7787 or e-mail Stolarchuk@absa.ca.

Sincerely,

Alex Stolarchuk

Remarks	(other relevant information)

As a senior official of the manufacturer, having responsibility for the conformity and regulatory compliance of the fitting, I hereby declare that the statements made in this declaration of conformity are true and accurate.

I also declare that a conformity assessment has been completed to the extent necessary for validation and verification, and declare that the fitting design and construction are in conformity with the requirements of CSA B51, the applicable codes, and standards and other applicable documents as listed in table 2 of this document.

I further declare that there is a process in place for retention, custody, maintenance, availability, and control of this declaration of conformity, for the duration of a valid Canadian Registration Number and no less than 10 years from the issuance of this declaration of conformity, for the fittings covered by this declaration.

Signed for and on behalf of Munish Forge Limited (Manufacturer) in the Ludhiana (City) of Punjab (State / Province), India (Country)
