Accepted on: July 28, 2019

Expiry Date: July 03, 2029

July 28, 2019

Attention: Joanna Karpinski TECHNICAL STANDARDS & SAFETY AUTHORITY 345 CARLINGVIEW DRIVE TORONTO, ON M9W 6N9

The design submission, tracking number 2019-04857, originally received on July 10, 2019 was surveyed and accepted for registration as follows:

CRN: 0B12374.52

Reg Type: RENEWAL

Drawing No. : CRN RENEWAL

Fitting type: FLANGES

Design registered in the name of : CD INDUSTRIES

The registration is conditional on your compliance with the following notes:

CRN covers only components that fully meet requirements of ASME B16.5, 16.47, and 16.1

Also please note, that the applications of flanges designed to AWWA Standard are for non-expansible fluid, therefore registration is neither required nor recommended as per the Safety Codes Act & Regulations and these flanges have been excluded from the registration.

As indicated on AB-41 Statutory Declaration form and submitted documentation, the code of construction are B16.47, B16.5 and other engineering analysis.

- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form.

This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date.
 Should the approval of the quality management system lapse before the expiry date indicated above, this

registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

Enclosed are stamped prints for your reference.

<u>CRN – Canadian Registration Numbers – Saskatchewan</u>

The Province of Saskatchewan participates with Quebec and the Canadian Standards Association (CSA Group) for the registrations of "Fittings".

Per an agreement with CSA Group in April 1998, Saskatchewan recognizes registrations done by CSA Group and accepts such fittings for use in Saskatchewan.

The letters "CSA" are applied as a prefix to the CRN to indicate which "Fittings" have been registered in this manner. You should inform your clients of this additional marking requirement and that "Fittings" registered by CSA Group are accepted for use in province of Saskatchewan, Canada.
