RE: QUALITY CONTROL PROGRAM REGISTRATION
REF#: 3028 (QCP - 0722)

Dear Sir/Madame:

Thank you for submitting your Quality Control Program for review, audit and registration. As a result of a successful review and audit, your quality control program is approved for use within the Province of Saskatchewan. Please find included your new Certificate of Registration and Contractor's Licence, and ensure a copy of it is inserted in all controlled manuals.

Your Certificate of Registration and Contractor's Licence are now both contained on one document. Both the Certificate of Registration and Contractor's Licence are now the same QCP # and Issue #. As a reminder, within the Province of Saskatchewan no person shall engage in the business of construction, repair or alteration of pressure equipment without a valid Certificate of Registration and Contractor's Licence.

If you should require any further assistance, please do not hesitate to contact the undersigned below. Please refer to the above reference number on all correspondence.

Yours truly,

Kalam Azad, P.Eng
Boiler and Pressure Vessel Safety Inspector
